### Terms and Conditions

**Important Changes to your Loan.** A Skip Pay is a modification of your loan. If you skip a payment, you agree to amend the term of your original agreement and repay the entire unpaid balance and interest on your loan. Your loan term will be extended one month for each skip payment request processed and because interest will continue to accrue on the unpaid balance of your loan, skipping a payment will increase the amount of interest you pay over the life of the loan.

**Fees.** There is a **\$25.00 non-refundable fee** for each loan payment skipped. If your request is approved, the fee will be deducted from the HCICU account specified on the request form. You must be an owner of the account specified and funds must be available in the account for withdrawal. You may bring in cash or check to pay for the fee(s). All fees need to be paid before the payment(s) can be skipped.

**Eligible Loans.** Loans that are eligible for a skipped payment include auto, motorcycle and boat loans, consumer and personal loans (including RVs, ATVs, vacation and debt consolidation loans), and shared-secured loans. Loans that are not eligible for the Skip Pay Program are

mortgages or any loans secured by real estate, mobile home loans, lines of credit or any other open-end loan, including credit cards.

**Limitations.** You may only skip one (1) loan payments per loan each rolling 12-month period.

**Additional Requirements to Qualify.** To participate in the Skip Pay Program, the following requirements must be met: (a) The loan identified must have twelve (12) months of payment history; (b) You must be in good standing at the time the request is received; (c) You cannot be delinquent on the loan identified when the request is received; (d) Accounts in bankruptcy and restricted accounts do not qualify.

**Skipped Payments.** No payment will be required on your loan for the month skipped, however, you are required to resume your regularly scheduled payments the following month. Members who make regularly scheduled bi-weekly or more frequent payments in a month must skip one full month's worth of payments.

**Automatic Payments.** You are responsible for suspending automatic payments you have initiated for the month from another financial institution in which you are skipping a payment. HCICU will not reject on automatic payment received from another financial institution for your loan payment. Loan payments scheduled to be automatically transferred from you, payroll deduction or direct deposit will remain in your share account and will not be applied to the loan.

**Approval.** HCICU reserves the right to deny any request to skip payments. If this request is received and you are eligible to skip a payment, your request will be processed for the next regularly scheduled month or for the month you selected. If your request is not approved, you will be contacted within five (5) business days of receipt of your request.
